NINGBO FIRST-RATE ELECTRICAL APPLIANCE CO.,LTD.

2023 new catalogue.indd 1 2026/9/30 09:22

COMPANY PROFILE

Firstrate was founded in 2000. Due to good faith and focus, became the largest OEM manufacturer of several European famous brand. We started independent research and development from 2016, one of the main suppliers of LIDL & ALDI. By 2025, factory area 10,000m^2, 120 employees, annual capacity of 3 million pcs sockets, turnover 15 million US dollars. We obtained ISO9001,14001, 45001 & BSCI certification. Our products have more than 100 patents & GS, TUV, VDE, ERP, EMC, CE, ROHS, PAHS, REACH, TIS, etc. certifcations. We'll play innovative and professional advantages, customer satisfaction as the center, to create value for customers.

OUR ADVANTAGE

We provide nice design and quality products to create value for costomers. FIRSTRATE has the experience and techology to develop new solutions to meet all needs of customers.

INNOVATION
Focus on which problem customer need to solve, it's just what we need to do.

FUNCTIONALITY
We do customer's want, bring to customer strong practicality and functionality.

AESTHETICS
Exquisite appearance, smooth lines, comfortable color matching, make products that bring customer surprises.

DESIGN QUALITY
Guided by customer's need, meet safety regulations always.

PRODUCT COST
Cost is by design, in line with function and safety regulations to minimize costs.

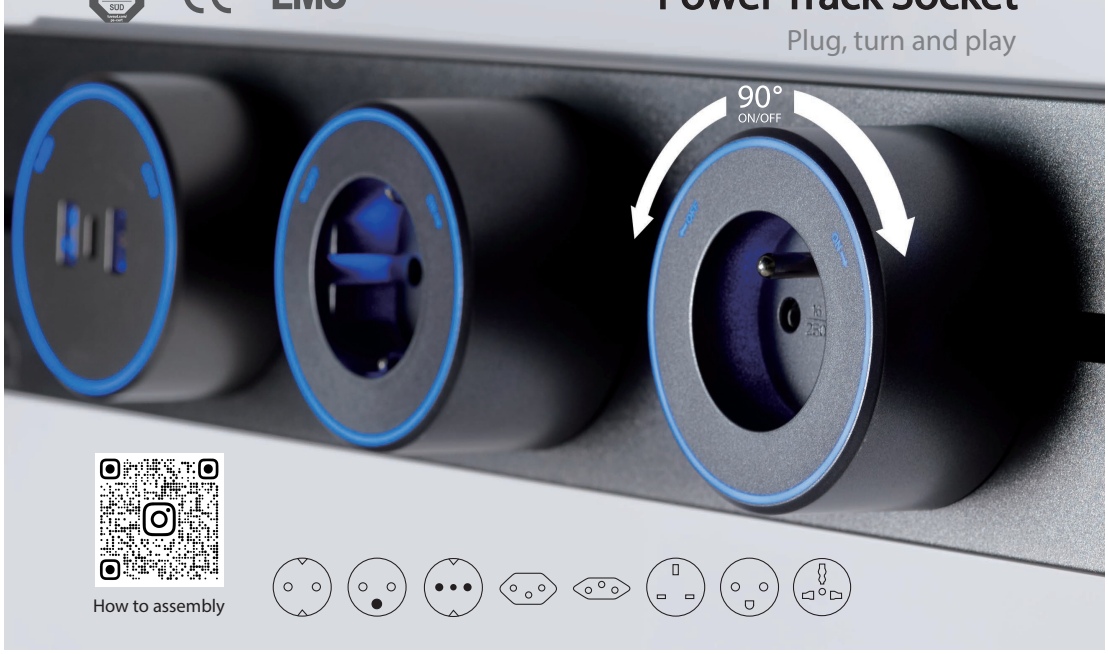

PROTECTIVE
Make one-to-one selection plan with customers to minimize homogeneous competition and protect customers' interests.
